

## Profile

**Customs & Logistic 101**, a division of Ciccirello and Associates inc., is involved in the community as customs consultant and import/export specialist.

Our mission is to offer the import and export community, a one-stop service exclusively dedicated to questions related to products' procurement, transformation, distribution, market development and continuous improvement of your business growth.

You want to be reassured about the accuracy of the documents submitted to Customs, on the quality of services rendered by your suppliers or on the company's cost structure compared to the market? You are ready to reevaluate your supply and distribution chain? Our team of specialists can do it all for you.

Our specialists can analyze and review your procedures and present you with the results of our findings. Let us explain to you the reasons behind periodic compliance audits and the consequences of non-compliance.

With **Customs & Logistic 101**, you only have to voice your request and we will find the right answer for you. Do not hesitate and call us to reserve **your free consultation.**
